Dear Friends:

Sorry I could not be there with you to celebrate this amazing day, but work has me in a different part of the district.

Today's launching of World Affairs Napa Valley brings the opportunity to continue to learn, engage, and aid communities both near and far. World Affairs Napa Valley's goal to bring leaders involved with global issues, international business, and philanthropic projects in less-developed countries allows for creativity and diversity in problem-solving.

Today, we also celebrate the 25th Anniversary of Roots of Peace, a humanitarian organization that has transformed millions of lives. We are honored to have Ms. Heidi Kühn speak in our district as she is a leader worldwide and her intellect and compassion have improved communities and set them on a strong path.

Thank you for being here today and I look forward to a continued partnership in service to our community here and communities around the world.

Sincerely,

A handwritten signature in blue ink that reads "Mike Thompson".
