

Make Your Own Coin Collection Canister

- Directions:
1. Collect coffee cans with resealable plastic lids, placing coffee in separate container.
 2. Cut a 1" x 1/8" slit in the middle of the plastic lid to a coin slot.
 3. Tape or glue colored construction paper onto the can to conceal the metal container.
 4. Print copies of the label below or create your own labels, cut them out and glue them to the cans.
 5. Start collecting coins!
